THE WEDNESDAY MORNING "COMMUNITY COFFEE"

Dec coffee dates 2nd & 16th

It has been a year since a group of neighbors and friends decided to launch the Community Coffee every other Wed. morning. It has provided an opportunity for all Lawton residents to gather with friends, neighbors and meet others who will become friends. Volunteers take turns and sign up to make the coffee and provide some delicious treats for the group. Let this fun event break up a long winter and get you out to meet with others for a good time. The Friendship Center also has books, magazines and jigsaw puzzles for you to take home and enjoy, just bring back when you're done.

Are you interested in
joining a book club to
read & meet for discussion
once a month?
Contact Deb Dunn
944-4942 for details!

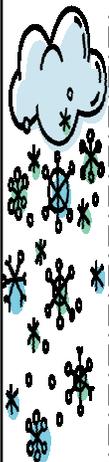

CHRISTMAS TREE DISPOSAL

City will pickup live Christmas trees at curb if they are set out by Jan 9th. Trees must have all decorations and lights removed prior to placing at the curb for pick-up.

RESIDENTS MAY BRING THEIR TREE TO THE TREE PILE IF THEY WISH. NO artificial trees accepted at curb or on pile!

Please don't park in front of ME! I have important letters to mail and receive and the postman won't stop if they can't get to me!

69.10 SNOW EMERGENCY PARKING. No person shall park, abandon, or leave unattended any vehicle on any public street, alley, or City-owned off-street parking area during any snow emergency unless the snow has been removed or plowed from said street, alley, or parking area and the snow has ceased to fall. When, in the opinion of the Mayor or Mayor Pro Tem, sufficient accumulation of snow exists, whether caused by direct accumulation or "drifting," so that snow removal must be accomplished, the Mayor shall issue a snow emergency declaration. It shall be conclusively presumed that any snowfall of *two inches or more*, as officially measured at Sioux City, Iowa, creates a snow emergency.

Vehicles left unattended on un-cleared portions of the street may be tagged to require such vehicle be moved. Code Chapter 70.06(3)
