Water meter readings are generally taken around the 20th day of each month.  
Invoices for water, sewer, garbage and landfill are sent on the 1st of each month.  
These invoices are delinquent if not paid by the 20th of that same month.  
A 10% Late Fee will be assessed on all delinquent accounts.

## READINGS ARE ACTUAL THIS MONTH

The City of Lawton is selling several items by sealed bids. Bids will be opened at the July 6, 2010 Council meeting after 5:00 p.m. Bids will be accepted until that time either at City Hall or by mail. Flyers are posted in the Lawton Post Office and in the front window of City Hall.

Items to sell are: 2003 McCormick Tractor,  
Loader/Mower/Blade

1977 Chevy C65 Fire Truck

120/240 Volt Winco Generator, 5500 Watt

Two Fire Ladders (3-section 35' and 14' roof ladder)

### Pet Tags Expired June 30

The round gold pet tags that say "2009" at the top are no longer valid. Most of you have gotten the new pet tags for your dogs and cats, however several animals are still unlicensed in the city.

Please understand the cost of these tags is only \$5/annually for spayed or neutered animals, or \$10/annually for those not fixed. However, there is a \$3/month/animal fee for those not licensed.

Since City Code does require all dogs and cats to have their rabies shots and be licensed within the city, a fine of \$250.00 could be assessed for failure to license your pets.

**BUILDING PERMITS:** The City of Lawton requires a building permit for ALL outside projects with the exception of some landscaping. You MUST get an application, and it MUST be approved by the Building Permit Committee prior to any construction...including the moving of dirt prior to building. Pouring a cement slab or putting up a fence also require building permits from the City. Blank applications may be picked up at City Hall or downloaded from the city website.

**CALL BEFORE YOU DIG:** Before doing any digging or disturbing of the ground, remember to call Iowa One Call at 1-800-292-8989 or **811**. This is necessary with all projects, even the planting of trees or bushes. Iowa One Call will notify all necessary utility companies of the impending dig. Within 48 hours each company will come to your property and "locate" their underground lines. *If you dig before calling Iowa One Call, you are responsible for any damage that may occur.*
