

# City of Lawton

October 2011

712-944-5960

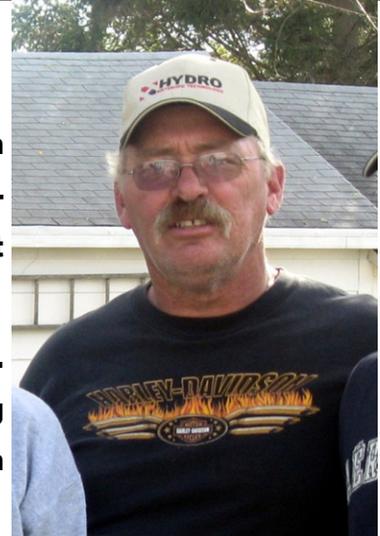

www.lawtoniowa.com

Water meter readings are taken around the 20th day of each month.  
Invoices for water, sewer, garbage and landfill are sent on the 1st of each month.  
These invoices are delinquent if not paid by the 20th of that same month.  
A 10% Late Fee will be assessed on all delinquent accounts.

## Lowell Anderson

**Lowell Anderson started working for the City of Lawton in March of 1995. He served as Public Works Director for nearly 16 years tending to the city's water, sewer and street needs...along with anything else that needed to be done.**

**Early in 2010 Lowell was diagnosed with esophageal cancer. He fought the disease for over 18 months before succumbing to it on September 10, 2011...just one day after his 58th birthday.**

**Lowell leaves the Public Works Department in the very capable hands of our current employees, Mark Vaul and Jodi Stender. His quick wit and good nature will be missed by those of us who knew him.**

**REST IN PEACE, LOWELL...YOUR WORK HERE IS DONE!**

## Water Meter Replacement

Water meter replacement for the City of Lawton is nearly 100% complete. Mark and Jodi did an excellent job in getting the meters changed out in record time.

Your help in this matter was much appreciated and made the project go smoothly.

**Thanks everyone!!!**

**Need trees?**

**Please see page two of this newsletter to get great trees at a great price!!**
