CITY ELECTION

November 5, 2013

Two Council seats and the Mayoral seat are up for election this year. Those positions are currently held by Reed Burson, Terry Masching and Jeff Nitzschke respectively.

Jeff Nitzschke has decided not to run again, but we have two candidates that will be listed on the ballot. Reed Burson and Rick Schorg have both taken out papers to run for Mayor. In the event Reed Burson should win the election, Rick Schorg will remain on Council and will finish his term of another two years.

In the event Rick Schorg should win the election, his seat on Council will be vacant and Council will need to decide on an appointment or a special election to fill that seat.

Those filing to run for Council are incumbent Terry Masching and newcomers Mike Frolkey, Matt Otto and William Wollesen. Two Council seats will be filled at the November election.

You may cast your votes at the Friendship Center from noon-8:00 p.m. on November 5, or you may vote by absentee ballot. Contact the Woodbury County Auditor for more information on the process of voting by absentee ballot.

At times, the Mayor and Council positions are thankless jobs. We thank all those men and women willing to take time from their daily schedules to watch over the well-being of our community. You are appreciated!!!

Streets / Intersection Update

By the time this gets printed, the overlay projects in town should be completed.

During the month of October we expect the Birch/Cedar Streets intersection to be removed and replaced. We ask that you use the alternate entrances into Lawton rather than using the detour along West Birch Street. That detour is intended for those residents living in that specific area.
