Water meter readings are taken around the 20th day of each month.  
 Invoices for water, sewer, garbage and landfill are sent on the 1st of each month.  
 These invoices are delinquent if not paid by the 20th of that same month.  
 A 10% Late Fee will be assessed on all delinquent accounts.

Do you currently receive City Notifications via email?

If not, let me add you to my list:

**PLEASE**...if we have snow in the forecast, do not park your cars in the streets. Having cars in the street slows the street-cleaning process down. Also, please **DO NOT** put your snow onto the street or onto your neighbor's property! The city crew doesn't appreciate it and neither will your neighbor.

## Warning sirens??

The Council has been asked to reconsider the purchase of warning sirens for the city. We would need to purchase either two or three sirens at a cost of \$20,000-\$25,000 per siren.

Please let your voice be heard. Do you feel outdoor warning sirens should be purchased for the city?

- Yes  
 No

PLEASE RETURN BY JANUARY 7, 2014
